

# Official SAT Test Prep Course - Spring 2012

The Terra Nova PTO and Edge Educational have partnered to offer "How to Outsmart the SAT" to the student body. This course is designed specifically to prepare students for the SAT and the PSAT. When not offered in conjunction with the PTO, the course costs \$850.

**This partnership between the Terra Nova PTO & Edge Educational allows us to offer the course for only \$102.**

This 16 hour course teaches all of the critical skills needed for success on the SAT and the PSAT. The course is broken down into 4 x 2.5 hour sessions, and 2 x three-hour practice tests (1 take home). All of the skills taught are highly effective and proven techniques for increasing SAT and PSAT scores.

**To enroll**, please complete and **return the form below** - with a **check for \$102 payable to "Terra Nova PTO"** - as soon as possible. Class size is limited, and although students will be accepted largely on a first come, first served basis, Juniors and Seniors will be given preference if the course is oversubscribed. Please put the registration form (see below) and your check in an envelope marked "**Att'n: PTO - SAT**", which should be delivered to the school office no later than Friday, Feb 10th, 2012. Please note that no "on-the-day" reminder calls will be made to enrolled students.
